APPLICATION FOR EXEMPTION OF GOODS- IN- TRANSIT FOR 2010

This application covers property you owned on January 1 of this year (or September 1 of the preceding year, if you receive a September 1 inventory appraisal). You must file the completed form between January 1 and April 30 of this year. Be sure to attach any additional documents requested.

This exemption applies to items in your inventory that (1) are or will be forwarded to another location, whether in or out of Texas within 175 days of the date you acquire them or bring them into Texas; (2) are temporarily stored at a location that you do not have a direct or indirect interest in for assembling, storing, manufacturing, repair, maintenance, processing, or fabricating. The exemption does not apply to oil, natural gas, or liquids or gases that are immediate derivatives of refining oil or natural gas. The amount of Goods-in-Transit exemption for this year is normally based on the percentage of your inventory made up by such goods last year.

You must apply for this exemption each year as it will not be automatically renewed.
